Sir,

ASSIGNMENT - Land (South Kanara) Mangalore taluk Derebail
village - S.No. 170 (portion) grant of petition of Sri U.Sriniva
Mallya M.P.

S.No. 170/1 (portion) denoted as S.No. 170/1B of Derebail
village measuring 5.33 acres has been applied for an assignment
by one Sri U.Srinivas Mallya M.P. who is a genuine political
sufferer. The petitioner was previously granted 4.67 acres of dry
land in Mudushedde village of Mangalore taluk. His request now
is for the additional extent of land to which he is eligible
under the scheme of assignment of land to political sufferers.
He is eligible under the scheme of assignment of to get 5.33 acres
of dry land now applied for.

2. S.No. 170/1 of Derebail village stands registered
as Poramboke reserved. It was registered as Poramboke by the
Collector in 1928. The relevant records in which its registry
as poramboke was ordered are not available. The purpose of its
reservation is also not known. The plot has been lying waste
all these years. It is a hillock within the belt area of the
Mangalore Municipality and is mostly rocky. Cashewnut plantation
could however be raised in it. Being on a high level and over-
looking the sea, it could also be made use of for constructing
buildings. There is no objection to transfer the plot to ayan and
assign it to the petitioner.

3. To the west of the plot lies S.No. 129/1. A portion of
it i.e. S.No. 129/1A was recently alienated in favour of the South
Kanara village Industries Associations in G.O.Ms.2887 Rev. dated 3.11.51
communicated with B.P.Mis. 1472 dated 29.11.51. The alienated portion
measures 21-20 acres. This plot was alienated for use by the Association
as its site for different purposes. S.No. 129/1B is still vacant
Both s.no. 129/1B and S.No.170/1A might be required for the use of
the village Industries Association later. The petitioner in this case
is also one of the active sponsors of this Association and is greatly
interested in furthering its activities. It is to that end in view
that the petitioner has desired for the assignment of S.No.170/1B.
An assignment of this plot to the petitioner will not only help in
furthering the activities of the S.K.V.I.A. but also enable the
otherwise barren land to be improved upon.

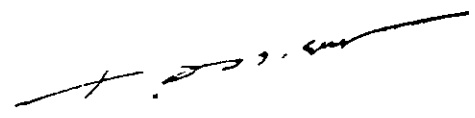

4. As the plot is within the belt area, I consulted all the
heads of the other departments regarding their present or future
needs. I have consulted also the Director of Animal Husbandry and
the Commissioner of the Mangalore Municipality. The Heads of all
these departments have since replied me that this site is not
required for use by their departments now or in the near future. The
Director of Animal Husbandry has stated that the site being mostly
rocky is not useful even for the starting of a poultry farm or for any
other purpose. The reports that the site is not useful or suitable
for the needs of his department.

5. I submit therefore that the plot could be assigned to
the petitioner. As the plot is within the belt area of the Mangalore
Municipality I request that the Government may be moved to accord

sanction under G.O.No.1065 Rev. dated 1.5.51 for the assignment of the plot to the petitioner. A topo sketch of the plot is enclosed.

Yours faithfully,

Ref: My Ref.B8.P.S.R.I 768 dated 7.2.52. — b. 2 ante

In continuation of my report cited I furnish also the following
information which was omitted to be furnished previously in this case.

The application for assignment of S.No.170/1B of Derebail
village preferred by the petitioner was placed before the Non
official advisory committee even before the several heads of departments
were consulted. The committee was of the opinion that the plot
could be assigned to the petitioner after obtaining the Government
sanction.

Yours faithfully,

2. The Collr. of S. Kanara has reported that one Sri U. Srinivasa Mallaya, M.P., who is a political sufferer, has applied for the assignment of an extent of 5.33 acres of land in S.No. 170/1 of Derabail village, Mangalore taluk, S. Kanara Dt. The Collr. has reported that Sri U. Srinivasa Mallaya is eligible for the assignment of 5.33 acres of dry land as he has been previously granted only an extent of 4.67 acres of dry land in Mudushedde village of Mangalore taluk. For the reasons stated in his letter on pp. 2-3 c.f., the Collr. ^{has} recommended the assignment of the plot in question to the petitioner. ~~and the Bd.~~ The Bd. supports the recommendation of the Collr. and requests that early orders may be passed relaxing the provisions of G.O.No. 1065, Rev. d/ 1-5-51/3. The Collr. has reported that the assignment of this plot to the petitioner will not only help in furthering the activities of the South Kanara village Industries Association but also enable the otherwise barren land to be improved upon. Under the scheme for the grant of land to political sufferers, lands are assigned to them only for agricultural purposes. It is presumed that the usefulness of the land to the Association will not be by way of buildings on the land but ^{only by} ~~as to~~ ^{operations} agricultural purposes. If however the lands are ^{then} not put to agricultural purposes, ~~then~~ they would no doubt be resumed. It is therefore for orders whether, in the circumstances reported by the Collr. ~~and the Bd.~~, the recommendation of the Bd. may be accepted and the plot in question assigned to Sri U. Srinivasa Mallaya, M.P. Subject to orders, a draft

order is submitted for approval.
